Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Art Unit: 3673

DETAILED ACTION

The reply filed on March 3, 2009 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to include any explanation or reasoning of the amendments to the claims or where the basis for the amendment is in the original specification. Applicant refers to element 61 in the drawings but 61 is not disclosed in the original specification. Further, applicant should disclose which newly added reference numbers refer to missing elements of the drawing objection in order to clarify that the matter is not new. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
